**Technology & Automation:** Microsoft 365, Power Automate, Power Apps, Power BI, VBA Macros, Siebel CRM, Business Process Re-engineering, Data Analysis, KPI Dashboards, Generative AI Tools, Prompt Engineering

## PROFESSIONAL EXPERIENCE

### Bureau Veritas Industrial Services Private Limited — Mumbai, India

**Senior Team Lead** *January 2026 - Present*

- Lead a 15-member operational team, including Team Leaders, Process Leads, and Subject Matter Experts, managing global compliance validation and international trade programs.
- Oversee technical clearance and audit of 250+ regulatory dossiers daily across 6 to 8 international corridors, maintaining 98-99% SLA adherence.
- Maintain 98% and above CSAT by resolving complex, high-level regulatory escalations with global authorities and expediting technical review pathways.
- Enforce ISO 9001 and ISO 17020 compliance through structured internal audits, SOP development, and data-driven root cause analysis.
- Design and deploy automated reporting workflows using Microsoft Power Platform and VBA macros, recovering 4 to 5 man-days per month and eliminating process bottlenecks.

**Team Leader** *January 2025 - December 2025*

- Managed daily operational scheduling, resource allocation, and capacity planning, applying Lean and Kaizen methodologies to meet turnaround time (TAT) targets.
- Built executive KPI dashboards providing real-time visibility into SLA performance, compliance variances, and CAPA tracking.
- Developed a cross-trained, resilient operational team through targeted performance coaching, eliminating single points of failure across international programs.

**Technical Officer and Team Responsible** *May 2018 - December 2024*

- Directed end-to-end operational workflows for large-scale inspection and conformity programs, ensuring seamless regulatory clearance for global corporate clients.
- Served as primary technical escalation point for documentation disputes, resolving import and export discrepancies according to statutory guidelines.
- Audited field inspection reports, authorized final compliance certificates, and managed non-conformity tracking using Siebel CRM.
- Led audit-readiness campaigns and internal CAPA reviews, resolving operational variances to maintain institutional accreditation.
- Trained and mentored junior technical officers on international quality standards, regulatory requirements, and review procedures.

### First Advantage Private Limited — Mumbai, India

**Operations Analyst** *March 2016 - April 2018*

- Processed up to 40 background screening and credential verification files daily, maintaining a 10 to 15-minute turnaround time per case.
- Reviewed candidate documentation to identify compliance risks, discrepancies, and non-conformities prior to final adjudication.
- Maintained high-accuracy throughput while consistently exceeding SLA turnaround times for enterprise accounts.

### Convergys Stream Private Limited (acquired by Concentrix) — Mumbai, India

**Technical Support Associate** *July 2015 - February 2016*

- Delivered technical troubleshooting and customer support, maintaining top-tier First Contact Resolution (FCR) rates.
- Authored standardized troubleshooting guides and knowledge-base documentation adopted by 20+ operations analysts, reducing average handle time.
