Experience

BUREAU VERITAS INDUSTRIAL SERVICES PRIVATE LIMITED Mumbai, India

May 2018 – Present

Senior Team Lead Jan 2026 – Present

- Lead 15+ team members and process leads handling 250+ technical files daily, maintaining 98-99% SLA adherence and 98%+ customer satisfaction across team delivery.

- Manage operations across 6-8 international corridors, primarily African contracts, including the Democratic Republic of Congo, Gabon, Ghana, and Morocco.

- Oversee workload planning, technical escalations, quality reviews, and coordination with international offices to support timely delivery.

- Support performance reviews, interviews, coaching, SOP development, and root cause analysis.

- Developed a time-and-motion tracking system using Excel, Power Automate, and Power Query to support activity and productivity reviews.

Team Leader Jan 2025 – Dec 2025

- Managed daily scheduling, capacity planning, and resource allocation to meet turnaround-time requirements.

- Automated reporting and file allocation, reducing weekly report-preparation time by approximately 70% and saving 6–8 person-hours weekly on reporting and 2–3 person-hours daily on file allocation.

- Coached colleagues and organised cross-training to strengthen team coverage and capability.

Team Responsible Feb 2024 – Dec 2024

- Supported operational planning, handled technical escalations, and contributed to audit readiness, corrective actions, and complaint resolution.

- Introduced a Power Automate leave-approval workflow with traceable digital records, replacing requests handled through calls and WhatsApp.

Technical Officer May 2018 – Jan 2024

- Reviewed conformity documents, inspection reports, and photographs, providing technical clearance before final approval.

- Maintained non-conformity records, guided colleagues on technical reviews, and coordinated file progress with international offices.

- Helped convert PDF-based training material into video tutorials using PowerPoint, Microsoft Sway, Word, and Clipchamp around 2020.

FIRST ADVANTAGE PRIVATE LIMITED Mumbai, India

Operations Analyst Mar 2016 – Apr 2018

- Processed up to 40 background-screening and credential-verification files daily, working within quality and turnaround requirements.

- Reviewed documentation and discrepancies, prepared reports, and coordinated with colleagues to resolve case-processing issues.

CONVERGYS STREAM PRIVATE LIMITED Mumbai, India

Technical Support Associate Jul 2015 – Feb 2016

- Provided mobile-device troubleshooting and customer support, maintaining service records and helping resolve technical issues.

- Helped create troubleshooting guides to support consistent handling of customer queries.
