Professional Summary

Operations and quality leader with 11+ years across conformity assessment (verifying that exported goods meet destination-country standards), background verification and technical support, including 8+ years at Bureau Veritas, rising from Technical Officer to Senior Team Lead. Leads a team of 15+ that processes 250+ technical files daily across 6-8 international corridors, primarily African contracts, sustaining 98-99% SLA adherence and 98%+ customer satisfaction. Combines team leadership, audit readiness and continuous improvement with practical automation in Excel, Power Query, Power Automate and VBA.

Core Skills

Operations: Service Delivery, Capacity Planning, Workload Planning, SLA & KPI Monitoring, Escalation Management, Stakeholder Coordination

People Leadership: Team Management, Performance Reviews, Coaching & Mentoring, Cross-Training, Interviewing, Training & Development

Quality: Verification of Conformity, Technical Document Review, Audit Readiness, ISO 9001 & ISO 17020, Root Cause Analysis, Corrective and Preventive Action (CAPA), Non-Conformity Management, SOPs, Lean & Kaizen

Digital Tools: Microsoft Excel, Power Query, Power Pivot, VBA, Power Automate, Microsoft 365, SharePoint, Microsoft Lists, Outlook, Siebel CRM

Professional Experience

Bureau Veritas Industrial Services Private Limited | Mumbai, India | May 2018 - **Present**

Senior Team Lead | Jan 2026 - **Present**

- Lead a team of 15+ members and process leads delivering 250+ technical files daily, sustaining 98-99% SLA adherence and 98%+ customer satisfaction.
- Manage delivery across 6-8 international corridors, primarily African contracts (Democratic Republic of Congo, Gabon, Ghana, Morocco), coordinating with overseas offices to keep files on schedule.
- Plan workloads, resolve technical escalations and run quality reviews to meet turnaround targets.
- Support performance reviews, interviews, coaching, SOP development, audit readiness and root cause analysis.
- Built a time-and-motion tracking system (Excel, Power Automate, Power Query) that gives visibility into team activity and productivity for reviews and workload planning.

Team Leader | Jan 2025 - Dec 2025

- Managed daily scheduling, capacity planning and resource allocation to meet turnaround-time requirements.
- Automated reporting and file allocation: cut weekly report-preparation time by approximately 70% (6-8 person-hours saved per week) and saved 2-3 person-hours daily on file allocation.
- Coached colleagues and ran cross-training to strengthen team coverage and capability.

Team Responsible | Feb 2024 - Dec 2024

- Supported operational planning, handled technical escalations and contributed to audits, corrective actions and complaint resolution.
- Introduced a Power Automate leave-approval workflow with traceable digital records, replacing requests made by phone and WhatsApp.

Technical Officer | May 2018 - Jan 2024

- Reviewed conformity documents, inspection reports and photographs, issuing technical clearance before final approval.
- Maintained non-conformity records and guided colleagues on technical reviews.
- Coordinated file progress with international offices to keep cases moving.
- Helped convert PDF-based training material into video tutorials for the team.

First Advantage Private Limited | Mumbai, India

Operations Analyst | Mar 2016 - Apr 2018

- Processed up to 40 background-screening and credential-verification files daily within quality and turnaround requirements.
- Reviewed documentation, flagged discrepancies, prepared reports and coordinated with colleagues to resolve case-processing issues.

Convergys Stream Private Limited | Mumbai, India

Technical Support Associate | Jul 2015 - Feb 2016

- Provided mobile-device troubleshooting and customer support, maintaining service records and resolving technical issues.
- Helped create troubleshooting guides for consistent handling of customer queries.

Education

Bachelor of Science in Information Technology | University of Mumbai | Jun 2012 - Nov 2015

Higher Secondary Certificate (HSC), Science | Maharashtra State Board | 2010 - 2012
